Thanks! Looks good except for pg 3 the reconciliation of net loss to adjusted EBITDA, the line "interest expense" should read

"Interest and other expense (income)"

Hi Theresa.

I went through the press release and the metrics file and here are my comments:

#### Press Release

- Formatting of the table on the 1<sup>st</sup> page in all previous releases, we have had the \$ signs lined up on the left side of each column. I think keeping a consistent look is preferable.
- Page 3, "Webcast..." paragraph: I think connecting the 5:00 on the 1<sup>st</sup> line to the pm on the 2<sup>nd</sup> line is preferred.
- Page 3, "About..." paragraph: Here we say "more than 35 languages", however, on our website we say "Twitter supports 33 languages."

Maybe "supports" is different than "available in"? Link is here in case anyone wishes to see: <a href="https://about.twitter.com/company">https://about.twitter.com/company</a>

#### Metrics File

• page 1. Is there a new support file from Kenney yet? I don't believe I have it so I'm not able to tie the MAUs incl. SMS Followers rows. Also the Ad Engagements and CPE growth percentages for Q1'15 do not tie to the metrics file that I have.

• page 2. Certain balances under Selected Balance Sheet Data need to be updated to match the latest financials

Working Capital change from 3,796,238 to 3,799,796

Ppty and Equipt, net change from 598,575 to 599,751

Total SH Equity (Def) change from 3,685,922 to 3,687,097

Thank you,

John
